

Would you like to learn a new skill such as knitting, crochet or watercolour painting?
Or resume an old one?

Would you like to bring your talents and experience, of whatever level, to one or more of our small friendly groups?

Or would you like to sing the songs of the 60s (even if you can't sing)?

It's good to join with like-minded people - to chat, laugh and possibly share common interests, as you make new friends.

Three new groups have been set up, with the aim of creating community here on Woosehill (though you don't have to live on Woosehill to join us)

We'd love to see you!

Woosehill Church

Sing Something Simple

Sing-alongs used to be at the very heart of traditional communities. Sing Something Simple has been set up to bring people together and help create community here on Woosehill (but you don't have to live on Woosehill to be part of our group).

[Sing Something Simple](#) is a small, very friendly, group who meet to sing the songs of the sixties. Using iTunes playlists and an iPod speaker produces the authentic sound – exactly as we remember from our youth. We all know that flashback feeling when a song comes on the radio and takes you back to another time, person or place.

Personally meaningful

That is personally meaningful music – and research shows it has a powerful effect upon the brain – it reaches areas that are involved in emotion and memory, language and decision-making, movement and reactions.

Young at heart

This toe-tapping music from decades ago has the power to make us feel young again - well young at heart at least! Most of us 'can't sing for toffee' - but we don't need to - the sound track covers a 'multitude of sins'! We simply have fun!

Lyric sheets are provided (though, if you were around anywhere in the 1950's and 1960s you probably won't need them). If you'd like to join our group, do please get in touch.

Woosehill Watercolour

- Have you ever longed to try your hand at watercolour painting?
- Is it many years since you painted?
- Or do you enjoy painting but would love to join a friendly art group?

So much fun

Painting in a group is so motivating and such fun! You learn from others as you paint together.

We're really excited by our new group and want to encourage and support each other - whether we are absolute beginners, or have painted for years.

While away the hours

And it's not simply about one morning a month - painting is a hobby that you can while away the hours doing at home. There is something magical about immersing yourself in painting - the time just flies by!

Art materials

Don't need to have your own art materials in order to join our group - we have materials for you to use during the session (there is a small charge for consumables like watercolour paper and paint). However spaces are limited by the amount of art materials we have available.

If you'd like to join our group, do please get in touch.

Wool With A Mission

There are families in our community who are suffering real hardship; struggling to put food on the table for their children, let alone clothe them. [Wool With A Mission](#) is a small, very friendly, knit and natter group. Our mission is to knit and crochet clothes, blankets and soft toys to support [First Days Children's Charity](#).

[First Days](#) are based in Hurst. They work with child care professionals who refer families to them when they are at a time of crisis - when they need something for their children and simply cannot afford it.

We at [Wool With A Mission](#) would like to reach out to people who would be willing to knit or crochet for these local children in need. You don't have to be able to get to our monthly meetings (though we'd love to see you if you could). You could simply knit at home in your own time – and we will organise the collection of finished garments

This is such a good cause – and right on our doorstep! The volunteers at [First Days](#) are absolutely lovely – so dedicated – and so grateful for support. The greatest need at the moment is for new-born baby clothes and blankets.

So – do you knit or crochet? Or does your Mum, Mum-in-law or Grandmother? If you would like to help us to support local children in need by knitting or crocheting – do please get in touch.
